

WHITEHORSE VILLAGE

MT BULLER

An alpine village at the top of Mt Buller, Melbourne's mountain. Whitehorse Village in the most exclusive drive in, ski out village in the Australian Alps. Mt Buller boasts the most significant Alpine village and is the most easily accessible mountain in the country. Only a handful of Chalets are available within Whitehorse Village, complete with majestic views forever.

Introducing Whitehorse Village
at the top of Melbourne's Mountain.

WHITEHORSE
VILLAGE

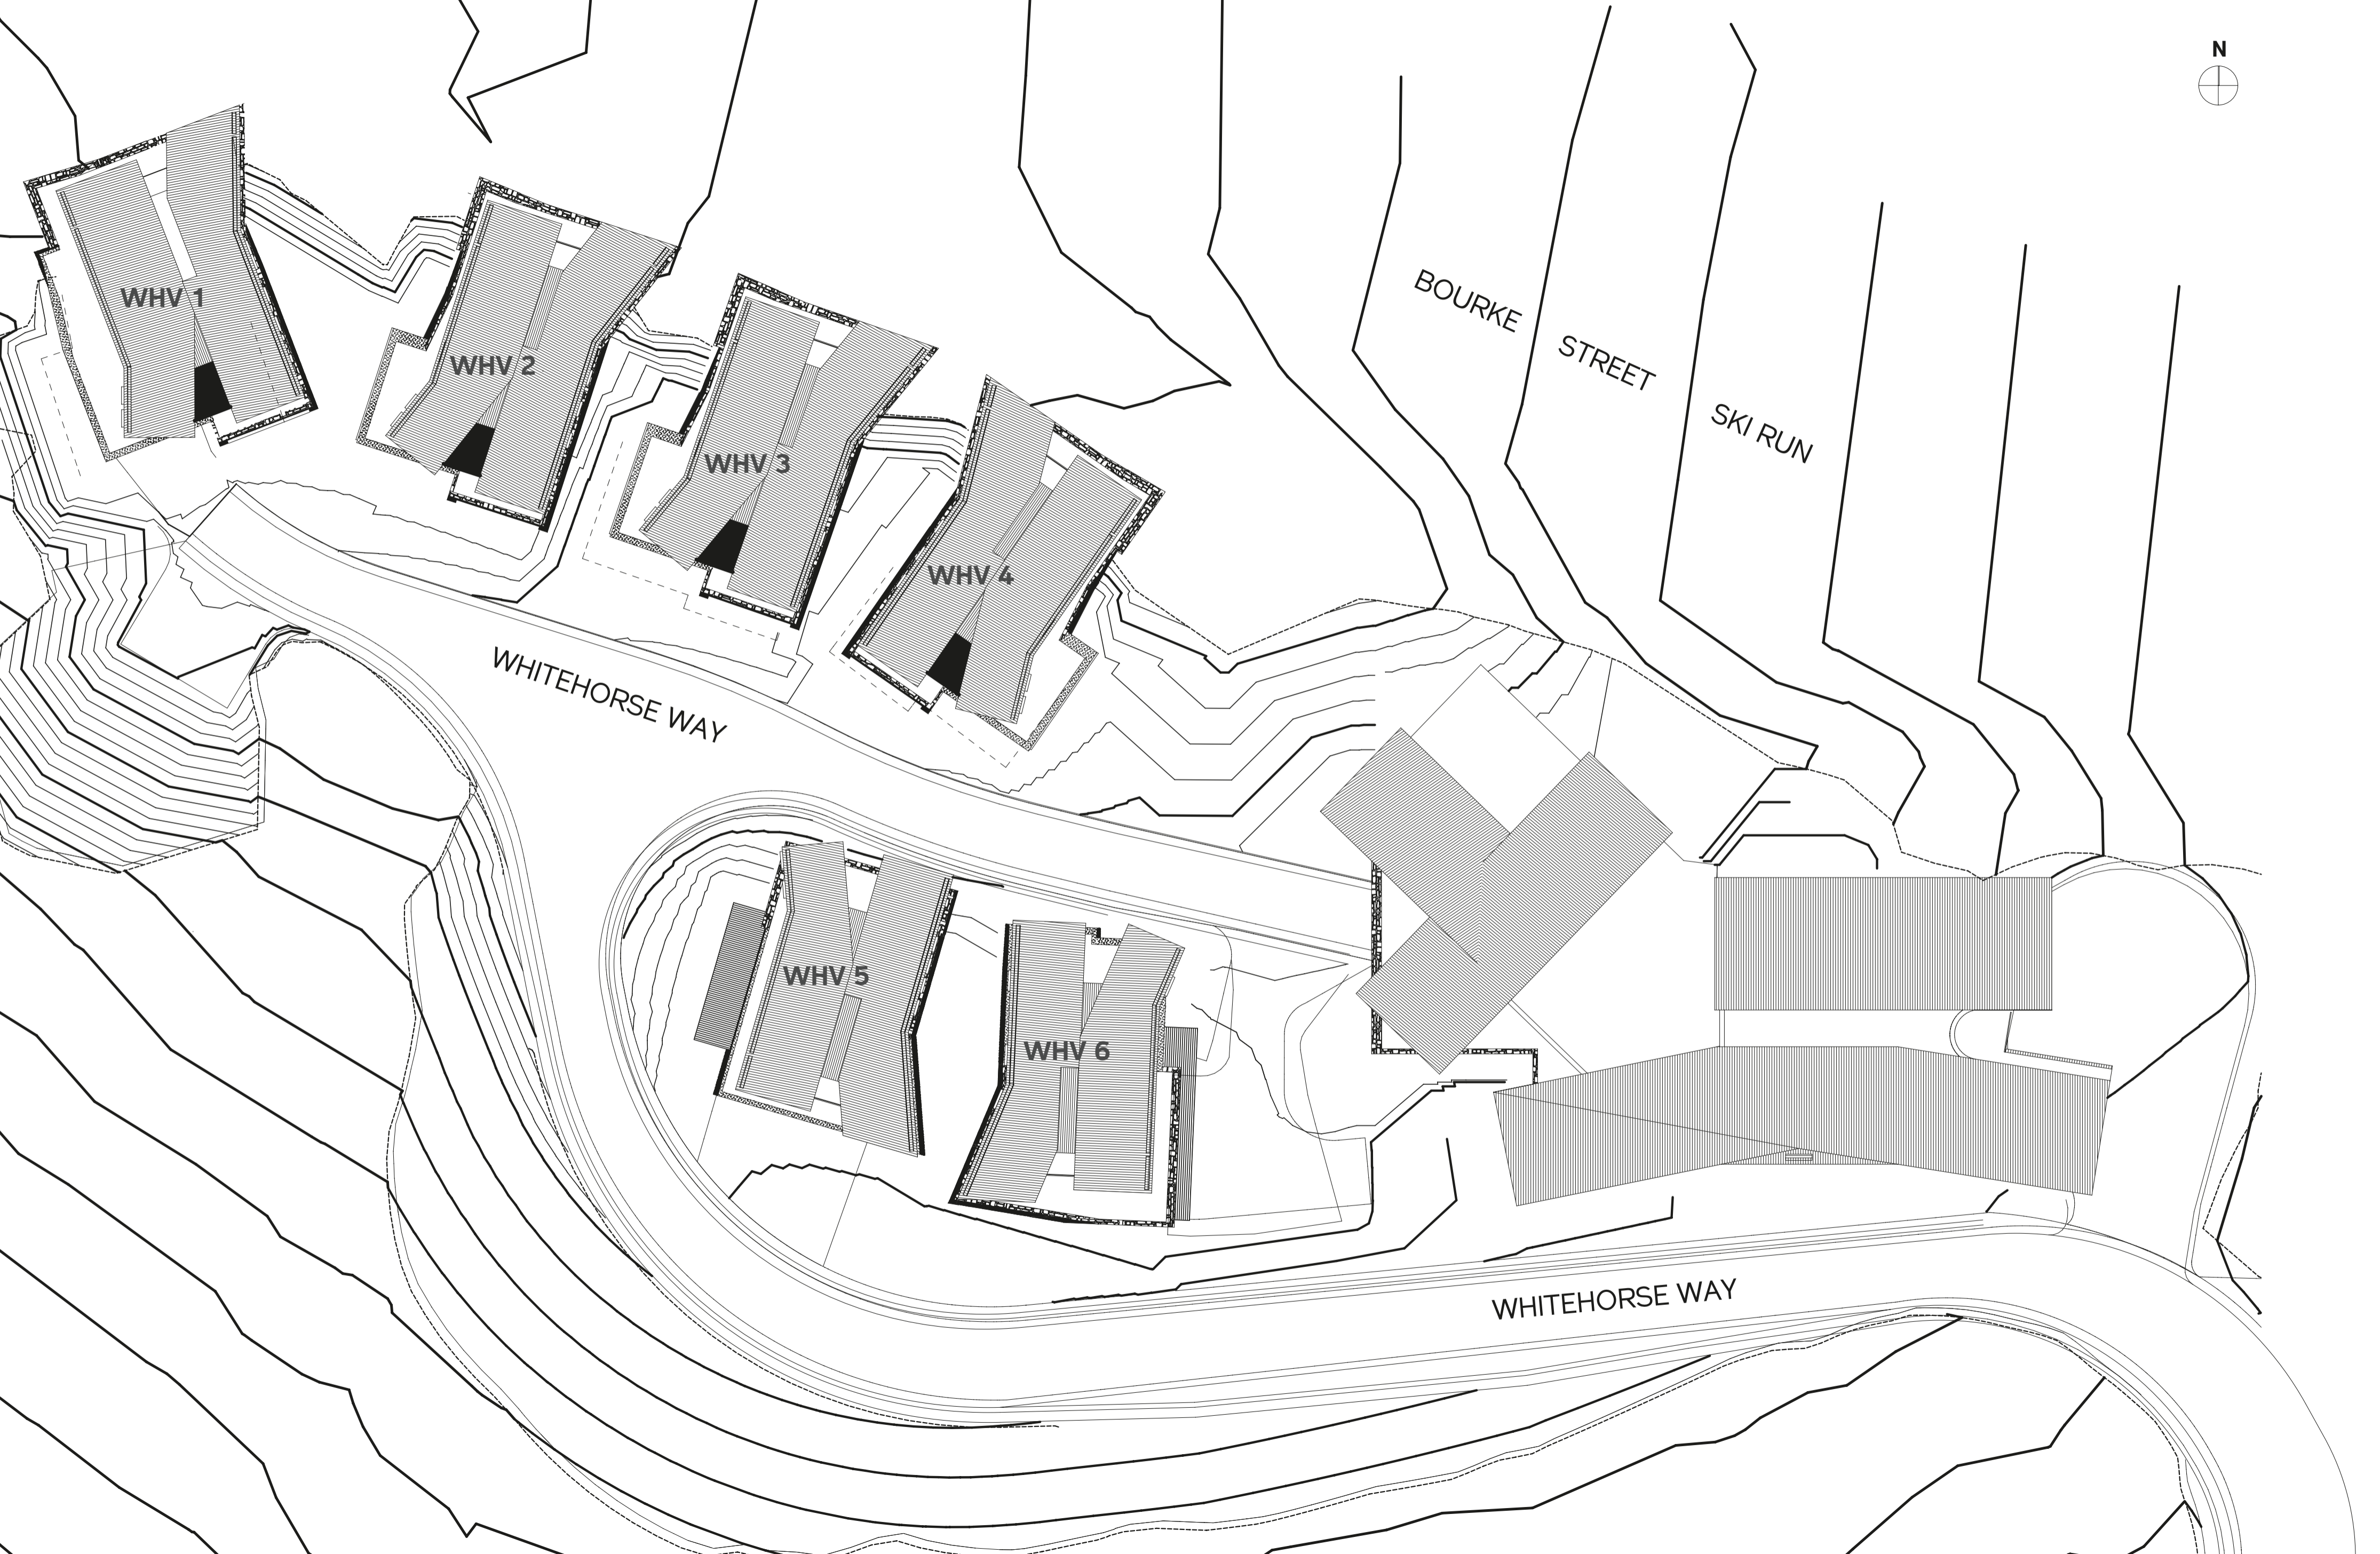

Designed around light and form each floor offers a unique aspect of the mountain. The metal-clad upper floors hover over a solid stone and masonry base, anchoring each chalet to the ground. A private road and drive-in garages give the ultimate convenience of access. The garages also offer space for ski and equipment storage and ski tuning.
